

Feminist Fightback presents... a

REPRODUCTIVE

FREEDOM TEACH-IN

Discussing ideas and
planning action for a
woman's right to choose

As feminists, we want every woman to have a real right to choose - whether to have, or not to have, a child. This event is aimed at feminists, trade unionists, students, school students and others. Come and learn more about the historical and current situation, develop campaigning skills, and get involved in a militant pro-choice campaign.

Sessions:

- * How to campaign: practical workshop
- * Imperialism and Motherhood - race, empire and reproductive freedoms
- * Getting your message across: making the pro-choice case
- * The current situation: NHS, law, state provision, internationally
- * Planning for a national day of action
